

Doing Business In Person

with the
Ohio Secretary of State's office

WHERE IS THE NEW LOCATION OF THE OFFICE?

Our Client Service Center is now located at 180 Civic Center Drive.

On arrival, the garage door will be closed. Pull up to the door and it will open for you to grab a ticket.

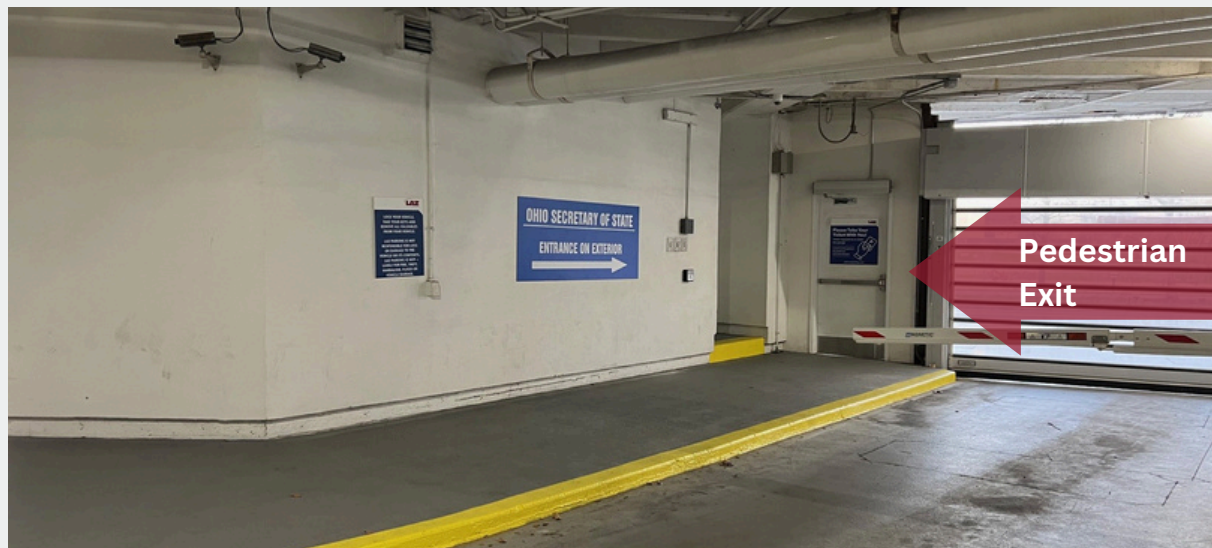

WHERE SHOULD I PARK?

The Client Service Center is conveniently located next to a parking garage where we have four reserved spaces specifically for “Secretary of State Visitor Parking.” You may use any of those spaces, or you may use any other space that does not have a reserved sign. Make sure to bring your parking ticket in with you, and our office will be happy to validate it for you.

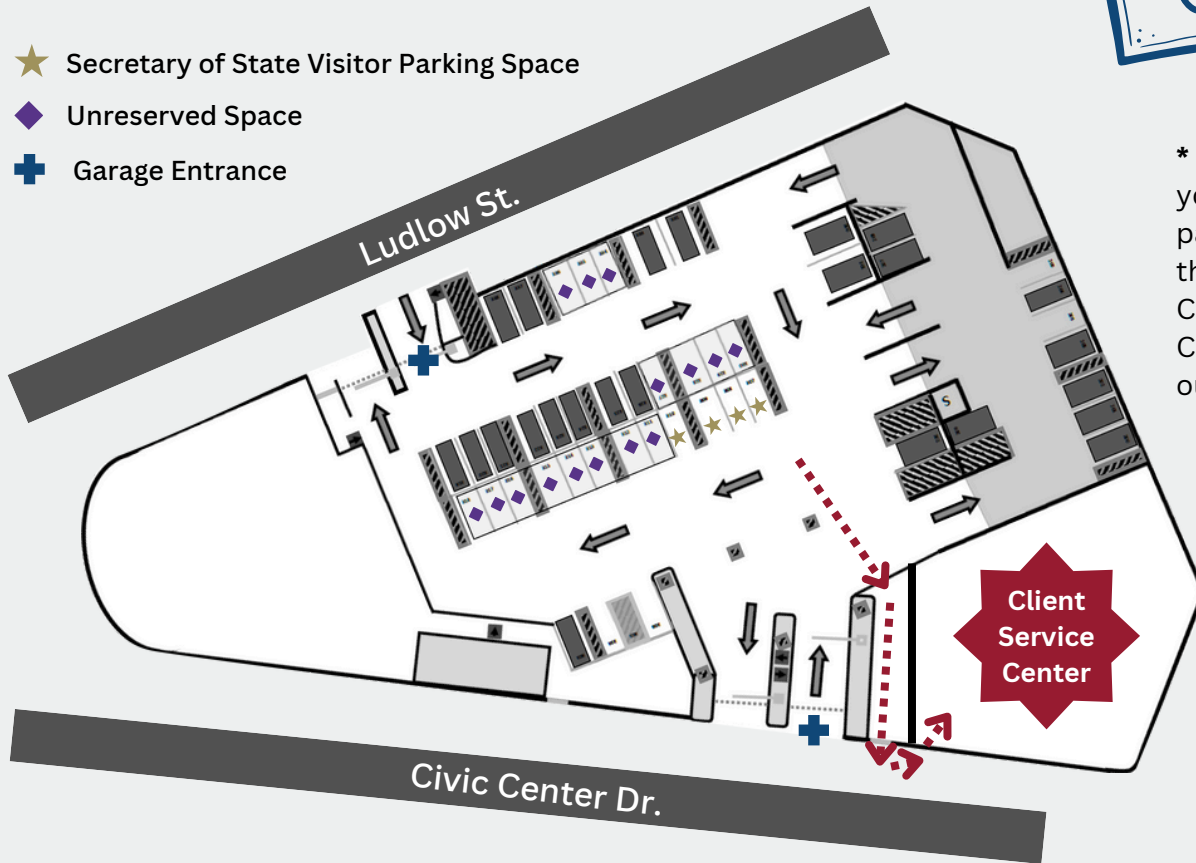

WHERE DO I GO ONCE I PARK?

Once you’ve parked, exit the garage through a pedestrian door located next to the main garage gate. Immediately to your left, you will see the entrance to the Client Service Center.

* Be aware that you are exiting the parking garage and then accessing the Client Service Center from an outside entrance.

YOU'LL KNOW YOU'RE **NOT** IN THE CORRECT PLACE IF YOU SEE THIS
