THE ABOVE NAMED PERSONS ARE BEING REFERRED TO THE COMMISSION PURSUANT TO DIVISION (C) OF THE OHIO REVISED CODE SECTION 3517.153 BECAUSE OF THE FOLLOWING APPARENT VIOLATION(S) OF THE LAW.

APPARENT OR ALLEGED VIOLATIONS OF THE LAW:

As to Campaign Committee – Friends to Elect Nino Vitale:

- (1) Failure to file a full, true, and itemized statement, made under penalty of election falsification, setting forth in detail the contributions and expenditures. (R.C. 3517.10(A)(2), as amended by HB197 (133rd General Assembly)).
- (2) No campaign committee shall fail to file a complete and accurate statement required under division (A)(1) or (A)(2) of section 3517.10 of the Revised Code. (R.C. 3517.13(B) and R.C. 3517.13(C)).

(R.C. 3517.13(O)).

INFORMATION REGARDING THE REFERRAL:

First referral – violation of R.C. 3517.10(A)(2), as amended by HB 197 (GA 133rd)

As extended by House Bill 197, a Post-Primary report was due by 4:00 p.m. on June 5, 2020.¹ Friends to Elect Nino Vitale, a campaign committee on the 2020 primary ballot not exempt from the filing requirements, failed to file a Post-Primary report by the 4:00 p.m., June 5, 2020 deadline.² Friends to Elect Nino Vitale did file a Post-Primary report a day later, June 6, 2020 at 10:46 a.m., although that report was filed showing no activity on the committee's part and will likely need to be amended. A copy of the filed report is attached as Exhibit A.

Second, Third, and Fourth referrals – violation of R.C. 3517.13(B), R.C. 3517.13(C), R.C. 3517.10(D)(2), and R.C. 3517.10(D)(4)

On at least three occasions Friends to Elect Nino Vitale paid for Facebook advertisements without reporting these expenditures on the committee's 2019 annual campaign finance statement, as required.³ The three separate transactions covered videos posted by the Friends to Elect Nino Vitale Facebook page, recorded in the Facebook Advertisement Library as paid for by Friends to Elect Nino Vitale, are as follows:

- 1) Video shown to paid targeted audience July 31, 2019 through August 8, 2019, in an amount under \$100, for 3,000 to 4,000 impressions;⁴
- 2) Video shown to paid targeted audience September 5, 2019 through September 23, 2019, in an amount under \$100, for 1,000 to 2,000 impressions;⁵ and
- 3) Video shown to paid targeted audience August 19, 2019 through August 29, 2019, in an amount under \$100, for 4,000 to 5,000 impressions.⁶

Additionally, Friends to Elect Nino Vitale directs contributors to make contributions through the campaign's online payment processor, publicly boasts about the success of the solicitations, but then failed to report having received any online contributions or the natural expenditures an online payment processor charges for having administered those contributions. Attached is the campaign committee's website soliciting contributions,⁷ as well as an image of the April 7, 2018 YouTube solicitation video hosted by the Friends to Elect Nino Vitale YouTube channel,⁸ Friends to Elect Nino Vitale Facebook posts advertising the solicitations and describing their prior success,⁹ Friends to Elect Nino Vitale MailChimp emails advertising the events and soliciting contributions through the campaign's payment processor,¹⁰ Friends to Elect Nino Vitale Twitter posts advertising the events and directing potential contributors to the campaign website to make payment,¹¹ paid Facebook solicitation videos,¹² and the committee's 2019 Annual report evidencing the failure to report the contributions and expenditures.¹³ The committee has failed to vouch for every expenditure in excess of twenty-five dollars with a receipted bill for any paid Facebook advertisement placed in an amount greater than twenty-five dollars and all payment processing fees in an amount in excess of twenty-five dollars.¹⁴

¹ R.C. 3517.10(A)(2), HB197 (133rd General Assembly)

² Friends to Elect Nino Vitale filed their 2020 Pre-Primary Report, due 4:00 p.m. on March 5, 2020 at 8:13 p.m. on March 5, 2020.

⁹ Exhibit G.

¹² See Exhibits B-D.

¹³ Exhibits J.

¹⁴ R.C. 3517.10(D)(4).

Finally, the campaign committee filed a 2020 Post-Primary report¹⁵ affirming it had no activity during the committee's Post-Primary reporting period, March 6, 2020 through May 29, 2020, despite the committee's active campaigning, fundraising efforts, and use of services (such as the committee's email marketing service, Mailchimp) that charge monthly fees.¹⁶

Fifth referral – violation of R.C. 3517.10(D)(3)(a)

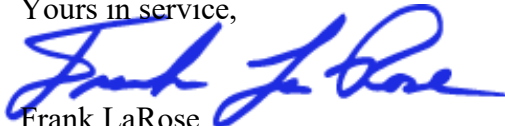

Friends to Elect Nino Vitale has failed to keep separate the contributions received by the committee from a personal or business account of the beneficiary of the campaign committee, Nino Vitale.¹⁷ Mr. Vitale, in all solicitations for the concealed carry class he hosts, for which he otherwise receives remuneration, directs individuals to the campaign website (votevitale.com) or directly to the campaign's payment processor (<https://secure.piryx.com/donate/bNgorKQQ/Vote-Nino-Vitale/>) to make payment.¹⁸

Sixth referral – violation of R.C. 3517.13(O)

The beneficiary of the campaign fund of Friends to Elect Nino Vitale, Nino Vitale, has converted for personal use items of value from the beneficiary's campaign fund in violation of R.C. 3517.13(O). Namely, Mr. Vitale has converted the campaign's website (votevitale.com),¹⁹ the campaign's paid email marketing company (MailChimp),²⁰ campaign email account (votevitale@gmail.com),²¹ Facebook and Twitter accounts,²² in addition to the Paid for by Friends to Elect Nino Vitale advertisements placed soliciting personal business utilizing campaign resources and contributions.

Yours in service,

Frank LaRose

<<First Name>>,

After weeks and weeks of Fauci and other doctors being “concerned for our health” and telling us to wear a mask, and advising governors all across the country to keep us under house arrest, Fauci is telling people to take a risk and have sex with a stranger? I thought he was about stopping the spread.

You cannot make this stuff up!

Fauci was asked in a Vanity Fair interview, if you are swiping on a dating app like Tinder...and you match with someone that you think is hot...

FAUCI: “If you’re willing to take a risk—and you know, everybody has their own tolerance for risks. It depends on the level of the interaction. If you want to go a little bit more intimate, well, then that is your choice regarding a risk. There’s a considerable amount of transmission from an asymptomatic person.”

Do you REALLY think these so-called health experts are concerned about your health and the spread of COVID or are they concerned about controlling you? It is obvious this is about getting you and me into compliance, not about protecting our health.

And what does the Center for Disease Control have to say about having sex with strangers? 1.8 million cases of Chlamydia, an increase of 19%, 583,405 cases of Gonorrhea, an increase of 63%, and 115,045 cases of Syphilis, an increase of 71% since 2014.

Any contribution made up to \$50 for a single tax return or \$100 for a joint-tax return can be written off in full from your tax liability for the year. For example, if your tax liability for 2017 is \$1000, and you donate \$100, you only pay the State of Ohio \$900 as you can directly write-off your campaign contribution. You can send more money to the government or you can send Nino to the State House to protect and limit what the government is spending. Saturday July 21st AM, with Pistol Instructor Nino Vitale Ohio Concealed Carry Class

Celebrate your freedom and safety by getting your Concealed Carry License with Pistol Instructor Nino Vitale and 2 additional certified instructors in a beautiful country setting. This class requires 4 hours in class time and 4 hours on line, which meets the 8 hour state law. You will be required to do 4 hours on your own schedule on line. It's pretty simple, just watch the videos and fill out a questionnaire and turn it in before the class.

Event Timing: Tuesday, July 21st, 2020; 9am-1pm (4 hours on line before the class, 4 hrs in class, which includes 2 full hours at the range-at the Vitale ranch)

Event Address: Vitale Ranch and Range - Urbana, OH 43078

This class is the complete qualification for the Ohio CCW certificate. You will have a basic command of pistols, learn Ohio Law for concealed carry and a solid understanding of ammunition types. The class is geared toward beginners and those wanting their CCW license as well as discussing personal defense and safety.

You do not have to have your own firearm but you will have to bring at least 100 rounds of ammunition. Details to come on what to bring after you sign up. You can use our firearms and we suggest you do this prior to buying a firearm so you can try different models and sizes. If you own a pistol then by all means bring that, but if you do not, then we suggest waiting until AFTER the class to purchase one. If you do not own a firearm and plan to shoot our guns, for new ladies, bring 100 rounds of 22LR and 50 rounds of 9mm Luger FMJ. For guys, bring 100 rounds of 9mm Luger FMJ. (start looking now as ammo is harder to find)

You will receive an email with the 4 hours on line videos to watch on your schedule the week before class. There are a few ways to pay Venmo or [votevitale.com](https://www.votevitale.com). Venmo or votevitale reserves your spot immediately and our classes have been filling inside of 1 day from when we post them. This is NOT a campaign contribution so if you go through the piryx link, you will not be donating to the campaign, although it says you will. We just use that as a means for people to have alternative methods of instant payment to hold your seat for the class.

Go to www.venmo.com/Nino-Vitale (this is our preference) or

<https://secure.pirvx.com/donate/bNgorkQQ/Vote-Nino-Vitale/>

The classes often fill so fill out this form and pay now which officially reserves your seat. The payment is what reserves your seat in the class, not this form. (see instructions below)

Contact me at votevitale@gmail.com with any questions.

PLEASE NOTE: The cost of the class is \$100. if you do not pay within 1 hour of filling out this form, your form registration will be deleted and the seat released for someone else. Seating is limited due to maintaining an instructor, participant ratio that we prefer.
